

## 303 Aerospace Protectant

We know that taking care of your boat is your utmost priority so use 303® Marine Aerospace Protectant to provide UV protection and repel dirt and suntan lotion stains. 303® Clear Vinyl Protectant and Marine Citrus Cleaner & Degreaser will help you round-out a protection plan that will help your boat stay looking like new. 303® will be your boat's lifesaver.

---

### 303® Marine & Recreation Aerospace Protectant™

- Powerful UV blockers prevent fading, cracking and premature aging
- Dries to a clear matte finish
- Restores lost color and luster
- Easy to use: Simply spray on and wipe dry
- Safe and effective for: vinyl, Plexiglas, carbon fiber, rubber, plastics and finished leather

WE'VE GOT YOUR NUMBER™

---

No other product provides this much protection for your boat and water gear. Use Aerospace Marine & Recreation to keep your boat's seats, sails, hull and windows colorful and clean. Aerospace's marine formula is a premium protectant designed to safeguard boats and boat equipment against the damaging effects of daily exposure to UV rays. It's safe for use on outdoor gear and apparel, too.

Simply spray on and wipe dry to restore color and luster, repel stains and prevent fading even in the

harshest marine conditions and sunniest climates. Aerospace Marine will even help keep fishing gear clean and prevent inflatable boats from sticking together during storage. And because it's 100% free of grease-producing silicone oils and petroleum distillates, Aerospace is safe to use on all your outdoor materials—vinyl, rubber, fiberglass and more.

No other protectant beautifies as intensely or preserves as powerfully. Keep your boat, watersport equipment and outdoor gear shiny season after season.
